NOT EVERYTHING IS RIGHT YET

but so many things about the store are so much better than you ever knew them that you'll hardly notice the weak places. Be a little patient if you do find any of them and bear in mind that it takes time as well as will to bring anything like perfection. Of course not one worthy thing in a hundred gets a word in the papers; they're here, just the same.

ABOUT BOOKS

Have you noticed how the great space between the Rotunda and Ninth street has been transformed into a Book store? Makes you think of Aladdin's palace—so complete, so convenient, so stock full and so stocked up with jewels—of thought.

And what you see now is but the beginning.

Think of that, you who know the common run or even the uncommon run of Book stores—probably the best arranged, best equipped quarter acre or so of Book space in America, and only the start!

The Books you want are there, heaps of them—even now almost any Book you'll care for. If it isn't there we'll get it for you.

How about prices? Glad you asked. There's where the new knife cuts deepest into old ways.

No traditions, no precedents here to hold prices up. We buy and sell Books just as we buy and sell dress goods—pay the very least market prices, and pass them along with the merest shaving of profit added.

Of course it makes the old foggy concerns squirm—progress of any sort does. Some of them turn over in their sleep, groan a little, and dream that they are awake.

Meantime our Book store holds out hands of welcome to everybody—asking only that you be not very critical for a few weeks yet.

Some of the Book classes:

The newest Books (separate tables). Standard Fiction, cloth and paper. Poetry, American and English authors. Plays by standard authors. Reference Books. Boy's Books and Hymnals. Books for young readers. Toy Books. French Books. Ninth Street.

STATIONERY

Hard by the Book store—smaller of it, in fact. Such a Stationery store as you would choose. Full of the things you want, next to nothing of the things you don't want—and priced below your expectations.

Ward's Irish Linen Writing Paper. Ward's Superior Writing Paper. Writing Cases. Desk Sets, sterling silver or leather mountings. Desk Sets, sterling silver or leather mountings. Esterbrook, Spencerian, and Gillott's Steel Pens. Faber and Eagle Lead Pencils. Writing Cards. Wedding, Reception, and Visiting Cards. Engraving in correct styles and shapes. Ninth Street.

IN THE NEW JEWELRY STORE

What we think is the prettiest, cleanest, largest jewelry store of the kind in America will be opened here on Monday. All the dainties, all the novelties are to appear here as soon as anywhere.

Some of the special things on Monday will be sterling silver encircling bracelets, at 50c. See if you ever saw anything nearly so pretty under \$2. Solid silver mounting pens, \$1.25, you think \$2.50. Solid 14-carat gold heart pins, \$1. Why not \$2.50? Shirt waist sets of solid silver, 50c each, 4 sets and two-link silver buttons, \$1.50. French China, hand decorated Bath Sets, 5 pieces, 10c; regular price \$1.50. Imported cut glass footstool or Match German China Fruit plates, best quality, hand decorated center and colored border, 10c each, were 25c. Hand decorated after dinner Coffee Cups and Saucers, best quality, in a variety of odd shapes, 10c; worth from 50c to 75c.

CHINA-CLASSWARE

One of the winsomest corners of the whole, light, bright, airy basement is where the Glass and China-ware are grouped. If you are thinking of table fittings of any kind, Madam, come with two-thirds the money you expect to use and see if it isn't enough.

Rich, deep cut glass Salad Bowls, \$2.95 each; regular price \$5. Full size (Lambert) Toilet sets, handsome spray and gold stippled decorations, 10 pieces, French China, hand decorated Bath Sets, 5 pieces, 10c; regular price \$1.50. Imported cut glass footstool or Match German China Fruit plates, best quality, hand decorated center and colored border, 10c each, were 25c. Hand decorated after dinner Coffee Cups and Saucers, best quality, in a variety of odd shapes, 10c; worth from 50c to 75c.
